PEA PESTO CROSTINI - SERVES 4-6

PREPARATION:

In a food processor, combine the peas, garlic, parmesan, 1 teaspoon of salt and ¼ teaspoon pepper. Pulse to combine, scraping down the sides as needed. With the food processor running, slowly add the olive oil until well combined, about 1-2 minutes. Season with additional salt and pepper, if needed. Transfer the pesto to a small bowl and set aside.

To prepare the crostini, preheat a stove top griddle or grill pan on medium-high heat. Brush both sides of the sliced bread with olive oil and grill until golden, about 1-2 minutes (alternatively, use a toaster oven to lightly toast the oiled bread). Transfer the bread to a clean surface and spread 1 – 2 tablespoons of the prepared pesto on each slice. Top with tomato halves and serve.

PUMPKIN COCONUT ENERGY BALLS - SERVES 10

INGREDIENTS:

1½ cups old-fashioned oats
⅓ cup unsweetened shredded coconut
½ cup chopped slivered almonds (optional)
¾ cup canned pumpkin
2 tablespoons honey
2 teaspoons pumpkin pie spice
¼ teaspoon kosher salt
⅛ teaspoon cayenne pepper

PREPARATION:

Preheat oven to 300° F. Place oats, coconut and almonds (if using) on a large rimmed baking sheet lined with parchment paper or nonstick foil. Bake, stirring once or twice until lightly browned, 8 – 10 minutes. Allow mixture to cool completely.

Combine the pumpkin, honey, pumpkin pie spice, salt, and cayenne in a large mixing bowl. Stir in the toasted oat mixture. Shape the mixture into 20 balls, about 2 teaspoons each. Place balls on a serving tray. Serve immediately or cover and refrigerate for up to two days.

NOTE: Try with Mike's Hot Honey! Or, make your own hot and spicy honey for dipping by bringing 2 chiles and honey to a bare simmer in a small saucepan over medium-low heat. Reduce heat to low and let cook 1 hour to infuse. Taste honey and adjust heat with another chile or two, remove from stove, and let sit 30 minutes. Transfer to a small jar, straining if desired. Cover and chill.

Do Ahead: Hot honey can be made 3 months ahead. Keep chilled.
